Serving the construction industry since 1949.

Every Mid-Atlantic Fasteners branch is manned by people who know the construction industry. They know how tools work, what's good and what to avoid. And they have the experience and knowledge to answer questions and make recommendations on tools, equipment and supplies for your specific application needs.

Fasteners for these tools are shown on pages 23-24

FinishPro® 18 Gauge Brad Nailer

FEATURES

- Drives medium headed 18 gauge galvanized brads from 5/8" - 2"
- Drives fasteners in hard wood applications
- Adjustable depth-of-drive
- Rear exhaust keeps oil and dust away from work surface
- Easy-open latch for quick and comfortable loading
